UNIVERSITY MUSEUM
"LEOPOLDO FLORES"
SALA "D"

Room D, is intended for the exhibition of the three winning projects of the call "Art Open, Art for all". We provide planes and photographs, which can serve as a reference for museography and curatorial project. One of the frequently asked questions of those interested in participating is How many pieces minimum I need for the exhibition? The number of pieces stays to criterion of the artists. In case of winning, the project will have a team of museology and curatorship to adjust the selected project into space.

SALA "D"

La exposición será en la Sala "D" con una superficie de 131 m².; altura de muros de 2.44 m.
